**Security Deposits:** In addition to the charter fee, there is also a returnable £1000 security deposit to pay. Alternatively, a collision damage waiver can be paid, this is a non refundable payment of £120.00 for weekend charters, other periods available, please ask for details. CDW not available for racing.

**Skipper's Qualifications:** Our insurance requires that charterers hold at least RYA Day Skipper for charters within the Solent, or Coastal Skipper to sail further a field. The Solent is defined as North & East of the Needles, West of Selsey Bill and North of Ventnor. Our insurers require us to have the bank details of the charterer as an aide to traceability.

If you are an unqualified, but experienced yachtsperson, with references to confirm your experience, we can ask our insurers for a special clearance. Alternatively, we can arrange an ICC (International Certificate of Competence) exam, please call for details.

**Please remember it is a legal requirement for at least one person on board to hold a valid operators licence before using the VHF radio.**

**Maverick :** Is available as Skippered Charter only and the price includes an RYA qualified Skipper and 1 crew member. The price also includes fuel for Solent Cruising. If you wish to visit any other location we would be happy to quote a price for the additional fuel. Maverick can accommodate up to 9 guests on her Skippered charters.
